

2026 Shasta Speedway Street Stock Rules

General Information

- **Shasta Speedway Officials reserves the right to make final decisions in the interpretation of any rules or race procedures at any time.** No equipment will be considered as having been approved for the reason of having passed through inspection unobserved.
- Cars found illegal are subject to disqualification, confiscation, fines, suspension, expulsion from Series and/or loss of points and money for that event.
- Rules clarification will be done by the Track Officials, final decision rest with Race Director.
- Any infraction of any rule or regulation may result in penalty, disqualification, fine, suspension or expulsion. Any illegal parts may be confiscated.

It is the obligation of each participant to ensure that his conduct and equipment comply with all applicable rules as they may be amended from time to time. All rules or procedure updates will be posted to series website and Facebook pages. Upon admittance to any event the driver is responsible for the conduct of all team members.

No expressed or implied warranty of safety shall result from publication of or compliance with these rules. These rules are intended as a guide for the conduct of the sport and are in no way a guarantee against injury or death to participants, spectators, or others.

Shasta Speedway and its officials reserve the right to refuse entry to any person to any event under their authority at any time.
